How to make a no-sew pet blanket

Supplies:

- Fleece Material
(generally 1 pattern and 1 solid are best)
- Scissors

Instructions:

1. Cut 2 pieces of fleece material that measure out to 2 ft. x 2.5 ft. each.
2. Line up the 2 pieces on top of each other.
3. Cut a 3-inch square from each of the four corners.
4. Cut fringe on all four sides of the blanket. Cut through both layers of fabric at the same time. Fringe pieces should be a little wider than the width of your finger. Cut in from the edge 3 inches. Lay a ruler across the fabric, 3 inches from the edge so that you know how far in to make your cut.
5. Begin Tying Knots. Leave your blanket lying flat on the surface, with all fringes lined up. These knots are called balloon knots... tie them just like you would if tying off a balloon! You can also tie a knot like you would make with a shoe lace. Tie all the fringes together on all four sides of the blanket.
