

Do you love cats and want to be part of making their lives better? Our veterinarians and technicians have fun sharing what they know and want you to excel. Cat Depot is looking for that fast-paced, highly motivated person who wants to grow their skills by providing cats and their people with best care and service.

If you have a good knowledge of cats, some veterinary experience, a steady job history and a fast-paced, glass-full positive and enthusiastic attitude, you could be the one we're looking for. Must be able to or quickly learn how to restrain cats with gentle, non-scruffing techniques.

Responsibilities include:

- Preparing cages, exam tables, instruments, equipment, rooms and cats for various functions and procedures.
- Applying cat friendly, fear free handling techniques for exams, vaccines, blood draws, diagnostics, and surgery.
- Administering medications under the direction of technicians or DVM.
- Scheduling appointments.
- Assisting in surgery and dentistry by monitoring recovery, cleaning and sterilizing instruments.
- Delivering excellent client service to employees, volunteers, and clients.
- Using practice software to document communications and medical procedures for high quality care.

Get ready to enjoy your work every day! Be part of our talented group of passionate, cat focused team players who are dedicated to making the lives of cats happier and healthier!

If this is you, job happiness, competitive salary, healthcare and other benefits await!

Email cover letter and resume to: dianad@catdepot.org with subject line "Veterinary Assistant".
