

**Tired of wrestling big dogs? We have a purrrfect solution!**

Cat Depot, a non-profit, feline-only rescue and adoption center is seeking an Experienced veterinary technician, minimum 3 years experience, CVT preferred, needed to provide high quality patient and client care in either our affordable care public clinic or shelter medicine department. If cats are your thing or you just prefer not to wrestle large dogs anymore, this opportunity is purrrfect!

Our Fear Free staff and facility has all the toys that make it possible for you to participate in everything from wellness and vaccines, to complicated surgeries, dentistry, radiology, in- and outsourced labwork, and ultrasound, as well as assisting with the distribution of grant funding for clients who can't afford care on our Clinic side to rescue from weather, hoarding, and cruelty situations on our Shelter Medical side.

These positions are always interesting. You never know what will come through the door. \$500 signing bonus and relocation assistance available.

To the world you may be just one person, but to one CAT, you may be the world! Make a difference and apply today!

**Please send resume' and cover letter to
