REAL WORDS. REAL IMPACT.

“ I work as a networker in animal rescue, and I was brought to tears when Cat Depot called to say they could accept all 18 cats and kittens from a single family in crisis. From the bottom of my heart, thank you for stepping into their lives and giving them a chance at survival. ”

Cat Depot was supported by **2,377 generous donors** — individuals, families, businesses, and foundations who believe every cat deserves a chance.

Thank you!
