What to Wear & Pack

Campers must wear closed-toed shoes (no sandals or "croc"-type shoes), clothes that can get dirty, and t-shirts with no graphics/verbiage each day. **Please do NOT bring electronic games**, as these items are easily lost and can interfere with camp activities. If your child would like to take photos, we suggest packing a simple camera or a cell phone. Cell phones usage will not be permitted during activities and may only be used during snack and/or lunch time.

Campers are encouraged to bring a reusable water bottle; there is a water fountain available for refills. We do not have the ability to heat camper's food. If campers have food allergies, please let us know in advance. Please be specific about what the camper is allergic to, the severity of the allergy, and whether it is triggered by touching or ingesting the food. Critter Camp 2024

Registration Form - Part Four

Critter Camp Expectations & Code of Conduct

We are so excited to welcome your child to camp this summer! We look forward to providing all campers with a fun and educational experience.

For each camper to have a positive and safe experience at Cat Depot's Critter Camp we establish the following expectations. The camp leaders will discuss these expectations with the campers, **but we would appreciate your help in reinforcing them.** We know this is going to be a wonderful experience for all involved, camp staff and campers alike.

- We only walk at Cat Depot.
- We may have food in the designated camp area only. No food/drink is permitted in the main shelter. Gum is not permitted on campus.
- The Golden Rule: 'Treat others as you want to be treated' - This means raising your hand to talk, respecting other's personal space, being considerate and helpful, etc.
- Stay with your camp group at all times.
- Most activities are conducted in groups. It's important that your child be able to work well in a group setting.

THREE STRIKES AND YOU'RE OUT POLICY: To encourage a safe learning environment, we employ the "**Three Strikes & You're Out**" policy.

- On the first infraction of the rules a warning will be issued. The Camp Counselor will stop and make sure the camper realizes they are duly warned. With the second infraction there will be time-out during cat socialization time. If there is a third offense, there will be a counseling session and the camper's parent/guardian will be notified. This is the camper's **first strike**.
- On any subsequent warnings after the first process has ran its course, the Camp Counselor will counsel the camper and the parent/guardian will be contacted. This is the camper's **second strike**.
- After the above policy is followed for the third time, the Camp Counselor will send the camper home and not be asked to return. This is the camper's **third strike**.

Spay / Neuter Discussions: Cat Depot promotes the spaying and neutering of all cats to limit pet overpopulation. This will be discussed during camp.

Dress Code

- No flip-flops and/or crocs (they present a safety hazard). Please wear closed-toe and heel shoes at all times.
- Campers should not wear t-shirts with graphics and/or verbiage of any kind each day of camp.
- Comfortable shorts or pants no shorter than the top of the knee. No skirts or dresses, unless shorts/leggings can be worn underneath, as we will be down on the floor for some activities
- Sleeveless shirts of any kind are not allowed.

Absence / Illness: If your child is unable to come to camp, please call 941-366-2404 or email education@catdepot.org to notify our staff. If your child should become ill during camp, we will notify you and or the emergency contact person listed on the medical form. If your child becomes seriously ill or injured and requires immediate medical care, Cat Depot staff will call 911.

Sign-In / Out: You or your authorized designee must sign your child in and out at the beginning and end of each camp session. You must pick-up your child within fifteen minutes of the end of each camp session. If you know you will be late, you must make other arrangements for on-time pick-up. You acknowledge that you understand that your child will be released only to those persons listed on the emergency and medical information form, regardless of circumstances.

Medications: A letter of consent indicating the type of medicine and the time at which your child will be taking the medication is required. Cat Depot cannot and will not be responsible for administering medications of any kind to children or for providing reminders to children.

For your camper's protection and safety, please ensure that you have your State issued Driver's License or Identification Card with you when picking up your child and that you sign your camper out with a camp staff member. Cat Depot staff will require proof of identity from any persons arriving to pick up your child.
